## Our Location

We are situated in the North West of England, in the heart of the Cheshire countryside, just 7 miles from the market town of Nantwich and 17 miles from the city of Chester.

Liverpool and Manchester are approximately 40 miles away. The North Wales border is also close by.

The easiest route to find us, especially for caravans, is either via M6, exit junction 16 and take the A500 (A51) towards Chester. Continue until you reach Calveley, cross the bridge by the Davenport Arms and after 400m take the first right turn. Or via M56, exit junction 10 and take the A49 towards Tarporley. Then take A51 towards Nantwich until you reach Alpraham, take the left hand turn on the bend. Drive down Long Lane, a quiet country road for 2 miles and New Farm is clearly sign-posted on the right hand side.
